AN ORDINANCE REPEALING AND REPLACING CHAPTER 113 OF THE
CODIFIED ORDINANCES CONCERNING THE IMPOSITION OF FEES ON
COMPANIES WHO ISSUE CERTAIN INSURANCE POLICIES IN THE CITY

WHEREAS, KRS 91A.080 through 91A.0810 authorize cities and other local governments to impose license fees or taxes upon insurance companies for the privilege of engaging in the business of insurance within their corporate limits (“local government premiums tax” or “*LGPT*”);

WHEREAS, the City Commission of the City of Meadow Vale, Kentucky (“*City*”) adopted ordinances imposing LGPT upon insurance companies engaging in the business of insurance within the City’s corporate limits (the “*Original Ordinance*”);

WHEREAS, Louisville/Jefferson County Metro Government (“*Metro*”) levies LGPT upon insurance companies engaging in the business of insurance within the corporate limits of Jefferson County, including within the corporate limits of the City;

WHEREAS, KRS 91A.080(12) provides that the City LGPT shall be credited against the Metro LGPT, such that all LGPT revenue from engaging in the business of insurance within the City is paid to the City provided the City LGPT is imposed at an amount at least equivalent to the Metro LGPT;

WHEREAS, KRS 91A.080(1) provides that LGPT rate changes take effect July 1 of each year on a prospective basis only and requires that any ordinance changing LGPT rates to be filed with the Kentucky Commission of Insurance at least one hundred (100) days prior to the effective date; and

WHEREAS, the City has determined and hereby declares it is necessary, desirable, and in the public interest for the City to repeal and simultaneously replace its Original Ordinance for the purpose of establishing a LGPT equal to the amount that provides the maximum allowable credit against the Metro LGPT;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF MEADOW VALE, KENTUCKY:

Section 1: Chapter 113 of the codified ordinances imposing license fees upon insurance companies engaging in the business of insurance within the corporate limits of the City is hereby repealed in its entirety.

Section 2: A new Chapter 113 the City’s ordinances is hereby adopted as follows:

113.01 Imposition of license fee. There is hereby imposed on each insurance company a license fee (hereinafter referred to as a local government premiums tax, “**LGPT**”), for the privilege of engaging in the business of insurance within the corporate limits of the city, on a calendar-year basis, based upon the following:

a. “**Premiums**” is defined as premiums actually collected by an insurance company within each calendar quarter by reason of the issuance of policies and contracts of insurance on risks located within the City and includes premiums on new policies and contracts of insurance and on renewal business, as well as all other classes of premiums, less all premiums returned to policyholders.

b. Except as otherwise provided in subsection (c) below, the license fee imposed upon each insurance company which issues any insurance policy or contract of insurance shall be the following percentage of Premiums on those classes of insurance which such company is authorized to issue (the “**Base Fee**”):

	Fire and Allied Perils	Casualty Liability Only	Vehicle	Inland Marine	Health	Life	All other Risks Taxed
Initial Rate	5%	5%	5%	5%	0%	5%	5%

The Base Fee shall not apply to Premiums exempted by state or federal law.

c. In addition to the Base Fee, an additional license fee in the amount of 7.5% is hereby imposed by the City upon each insurance company on the premiums for each class of insurance listed in Section (b) above, provided that Louisville Metro has raised its LGPT rate from 5% to 12.5% effective July 1st, 2019 for any of the classes of insurance listed in Section (b) above. In the event the Louisville Metro LGPT effective July 1st, 2019 is raised to an amount different than 12.5%, but more than the City’s Base Fee, the City hereby imposes an additional license fee on each class of insurance listed in Section (b) above, equal to the City LGPT credit allowable under KRS 91A.080(12). In the event the Louisville Metro LGPT effective July 1st, 2019 remains 5% for any class of insurance listed in Section (b) above, the City’s Base Fee shall apply.

113.02 Fees to be paid to General Revenue Fund. The license fee or tax established by this chapter is imposed and levied for the purpose of general revenue funds and shall be paid into the general fund of the city.

113.03 The license fee or tax imposed by a city upon each insurance company with respect to life insurance policies may be based upon the first year’s premiums and shall be applied to the amount of the premiums actually collected within each

calendar quarter upon the lives of persons residing within the corporate limits of the city.

113.04 Amount of fee for companies issuing policies other than life insurance:

A. The license fee or tax imposed upon each insurance company with respect to any policy which is not a life insurance policy shall be of the premiums actually collected by the insurance company within each calendar quarter on risks located within the corporate limits of the city on those classes of business which the insurance company is authorized to transact, less all premiums returned to policyholders.

B. The license fee or tax shall also not apply to premiums:

1. Received on policies of group health insurance provided for state employees under KRS 18A.225;
2. Received on policies insuring employers against liability for personal injuries to their employees or the death of their employees caused thereby, under the provisions of KRS chapter 342;

Paid to insurance companies or surplus lines brokers by non-profit self-insurance groups or self-insurance entities whose membership consists of cities, counties, charter county government, urban-county government, consolidated local government, unified local government, school districts, or any other political subdivisions of the Commonwealth.

C. No License fee or tax imposed under this section shall apply to premiums paid to insurers of municipal bonds, leases, or other debt instruments issued by or on behalf of a city, county, charter county government, urban-county government, consolidated local government, special district, nonprofit corporation, or other political subdivision of the Commonwealth. However, this exemption shall not apply if the bonds, leases, or other debt instruments are issued for profit or on behalf of for-profit or private organizations.

- C. License fees which are not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until paid.
